

Snow Plowing

It is illegal to park on any street when the DPW is plowing streets. Some parts of 20 streets are exempt from this law because there is not enough off-street parking at some multi-family dwellings, and elsewhere. These areas are clearly marked with signs so confusion does not occur as to which streets can be used for parking during snow emergencies.

While these streets or areas of streets are exempt from the "no parking during snow emergencies", all other parking restrictions remain in effect.

These streets are:

- 1) All on-street designated handicapped parking spaces.
- 2) Alma Terrace, north side, from Chestnut Avenue to Elm Avenue.
- 3) Amsterdam Avenue, both sides, from Teaneck Road to a point 150 west.
- 4) Ayers Court, both sides.
- 5) Bergen Avenue, both sides, from Maple Street to 100 feet south of Blauvelt Street.
- 6) Beverly Road, both sides, from Elm Avenue to River Road.
- 7) Elm Avenue, both sides, from Alma Terrace to North Street.

- 8) Hill Street, west side.
- 9) Hillside Avenue, in front of 107 Hillside Avenue only.
- 10) Larch Avenue, east side, from Hillcrest Street to North Street.
- 11) Linden Avenue, west side, from Kipp Street to North Street.
- 12) Lozier Place, both sides.
- 13) Minell Place, north side, from Teaneck Road to Richard Court.
- 14) Parkview Drive, east side.
- 15) Pembroke Street, west side, from 186 feet south of Northumberland Road to its end.
- 16) State Street, both sides, from Teaneck Road to Terrace Circle.
- 17) Terhune Street, both sides, from Chestnut Avenue to Linden Avenue.
- 18) Vandelinda Avenue, both sides, from Palisade Avenue west to its end.
- 19) Vandelinda Avenue, north side, from Palisade Avenue to a point 322 feet east.

20) Washington Place, north side, from Teaneck Road to Crescent Avenue.

21) South Strand, east side, 40 feet north of Northumberland Road to a point 95 feet north.

This means that whenever enough snow has fallen to require plowing of the public streets in Teaneck, parking is not permitted on any public streets except in the posted areas. This parking prohibition remains in effect until the snow has stopped and the streets have been plowed enough that parking on them will not block either the normal flow of traffic or snow removal work. The term "snow" includes snow, sleet, hail and/or ice.

When a snow emergency is in effect, you must move your vehicles off of all Township streets unless they are in one of the posted areas. If you can not move your vehicle or comply with the law, call the Police Department at 201-837-2600 to tell them about your problem.

For additional off street parking, residents are encouraged to use any of the municipal parking lots. Beginning (6) hours before the snow fall is predicted to start, and until (24) hours after the snow fall has stopped, all hourly limits and meter fees in township lots are waived. The locations of the Municipal parking lots are:

1. East side of Teaneck Road off Beveridge Street.
2. West side of Teaneck Road at Orchard Street.
3. West side of Teaneck Road between Church and Bogert Streets.
4. North Side of State Street opposite Lozier Place.
5. North side of State Street West of Terrace Circle.
6. Behind stores on west side of Queen Anne Road north of West Englewood Avenue.
7. West of Queen Anne Road north of Court Street.
8. North end of Votee Park, south of Court Street.
9. North of Cedar Lane at Garrison Avenue and Beverly Road.
10. South of Cedar Lane between American Legion Drive and Chestnut Avenue.
11. Northwest corner of Cedar Lane and Elm Avenue.
12. Southeast corner of Beverly Road and River Road.
13. South side of Beverly Road opposite Williams Avenue.
14. East side of River Road and Phelps Parks.
15. Southeast corner of DeGraw Avenue and Queen Anne Road.
16. South end of Votee Park and Colonial Court.
17. Municipal Building at the northwest corner of Cedar Lane and Teaneck Road.
18. East side of Glenwood Avenue south of Lindbergh Boulevard.

19. Municipal Compost site - foot of Lindbergh Boulevard east of Glenwood Avenue.
20. PAL Building Parking Lot.

During the winter months, snow and ice must be removed from public sidewalks after the cessation of a storm. Commercial property owners or tenants have 12 hours; residential owners have 24 hours. Also, people who own corner properties (and at mid-block crosswalks) must shovel a pathway from their shoveled sidewalk to the plowed portion of the street so that pedestrians, especially school children, can cross safely.
